

HS PAC READINESS SUBCOMMITTEE

...keeping HSOs abreast and informed on all things Readiness

Vol. 1, May 2017

The HS PAC Readiness Gazette

The Seven (7) Basic Readiness Requirements: Do you know them?

Checking your *Projected Readiness Status* in **Direct Access** should occur at the beginning of each quarter and at least once throughout the quarter. If you are listed as **NOT PROJECTED** to meet Basic Readiness, you can also see which of the **7 basic readiness requirements** you will need to successfully complete prior to the next check. The sooner you know when these requirements will expire, the sooner you can work on completing the requirement.

STAY READY SO YOU DON'T HAVE TO GET READY!

THE 7 BASIC READINESS REQUIREMENTS

If you read the HSO Announcements (and you should), you may notice the consistent reference to the Seven (7) Requirements of Basic Readiness. But, do you know these requirements? How familiar are you with them, *really*? Do you know where to find step-by-step instructions on each requirement? (**Hint:** [HS PAC Readiness Website](#)) Here is your chance to KNOW THEM:

1. **5 Year Medical Evaluation** : Documentation mailed to MAB, not self-reported in DA
2. **Annual Physical Fitness Test (APFT)**: *Self-reported* in DA, no documentation mailed
3. **Basic Life Support (BLS)**: *Self-reported* in DA and copy of BLS card uploaded to eDOC-U
4. **Deployment Role**: *Self-reported* in DA then update as needed, nothing to mail
5. **Immunizations**: documentation uploaded via eDOC-U, MAB updates upon receipt
6. **Licensure/Certification**: (if applicable) as required and before expiration of current Fax to Officer Support Branch (not eDOC-U) at 240-453-6127
7. **Readiness Courses/Training Modules**: Required modules must be completed one-time via [Responder e-Learn](#)
